Achieving academic excellence

Congratulations to Floyd G (3M) who has been nominated as a finalist in the Sydney Youth Writing Competition. Floyd submitted a short story entitled “Possum Problem”. He needed to include at least one of the signature words ‘fly, light or creek’. Floyd's story will now be published in a book entitled “Fly.Light.Creek” which includes the work of all the finalists. This book will be launched at Parliament House on Wednesday 27 November 2013 in a special ceremony which Floyd will be attending. Well done, Floyd!

Quality teachers making a difference

What an amazing day our students had on Thursday at the Year 6 Village Fair. From the haunted house to the white elephant stall, all students and staff enjoyed a fun couple of hours thanks to our year 6 students and their teachers. My thanks to Louisa Brown, Fiona Greenland and Boyd Aikin for working with all the year 6 students to make the Village Fair such a huge success. A lot of personal time goes into co-ordinating such an event and without the support, encouragement and guidance of our year 6 teachers, our fair would not have been so well organised and run. I would like to thank the year 6 students for all their work in organising, advertising and running such exciting stalls and to also thank the year 6 parents who supported the fair by providing all the supplies on the day. Our school community looks forward to seeing what gift will be purchased as a farewell gift to the school.

Providing opportunities for all

As we continue to make plans for classes and classroom allocations for 2014, our school has taken delivery of a demountable classroom. This demountable is located in the space that was previously allocated for staff parking. As the school continues to grow, it was important that our new classroom did not impact on playground space and was also in a location where further classrooms can be added should there be a need. We hope to have a staff car park behind the Stage 3 building for the start of the 2014 school year.

Your community school

Last Monday, randomly selected parents from across the school took part in our school evaluation during parent focus group sessions. The feedback provided in these sessions will be used in conjunction with the parent survey about school culture to guide school plans for the future. I would like to express my thanks to all parents who were able to attend on the evening and provide such valuable feedback to our school. I would especially like to thank the parents who facilitated each of the sessions – Nicole Beat, Tim Hamilton, Lisa Justice, Robin Kinstead, Josephine Guzzo, Karen Melhuish, Mel Erskine and Michele Smart – and the school staff who were scribes on the evening. Your willingness to be actively involved in the co-ordination of the focus groups is greatly appreciated by our whole community.

Our school disco for year 3 – year 6 students will be held on Friday 22 November 2013. A note detailing the organisation of the disco and the theme, as chosen by the year 6 students, was issued to all primary families last Tuesday. I am aware that some families were unsure of what the theme could include. Coming dressed in theme is optional and the term 4 disco is a fun, light-hearted event for all who attend. Should you have any questions in relation to the disco, please feel free to contact me in the office.

As the internet, social media and electronic devices continue to play such an integral part in the lives of so many people in our community, it is important that we as parents and educators are aware of the dangers these technologies bring for our children. Attached to The Grapevine email today is a flyer detailing a cyber-savvy session being run by Warringah Council at The Forest High on Tuesday 26 November 2013. I encourage all parents to please take the time to read this information flyer and if possible, attend this free seminar.

FROM THE OFFICE

Internet Code of Behaviour
If you have not yet returned your Internet Code of Behaviour form could you please do so as soon as possible. We have recently sent home forms to those students who have not yet returned their form. Please complete the form and return it to the office.

Student Medical Details and Health Conditions
A form for each child was posted home with your Statement of Account. If you have not yet returned your Student Medical form could you please do so as soon as possible. It is very important that we have up-to-date medical information for your child. Please complete the form and return it to the office.
DO YOU HAVE CHILDREN WANTING TO JOIN THE BAND IN 2014?
The Allambie Heights Public School Band program is open to students in year 3—year 6. There will be an information night on Tuesday 26 November 2013 in the music room at 6.30pm. If your child is interested please put this date in your diary. In the meantime, if you would like some general information on the band program, the 2012 band handbook is on the school's website.

CAROLS IN ALLAMBIE
Carols in Allambie is a community event organised by the local community and Ray White Real Estate. This year it will be held on Sunday 8 December 2013 from 6:00pm to 9:00pm. If you would like to be involved in helping on the night we would like to hear from you. We are looking for people to help out with the BBQ from 6:00pm to 8:00pm and on the door from 5:45pm to 6:15pm. If you are available to help please call Dee 0403 864 947 or Ken at Ray White 0400 620 000.

If you love to sing and would like to be part of the choir for the night, come and join us at the Fernon's, at 39 Canea Crescent on Monday night at 7:30pm for the next few weeks. No prior experience needed. Words and music will be provided. Old favourites and a few new ones. Mums, dads, teachers, office staff, grandparents, ex-students and neighbours welcome. Please phone 0410 604 483 or email afternon@bigpond.net.au to let us know if you will be coming so that we have song sheets ready for you next Monday!

SCHOOL BANKING
Don't forget that Wednesday is School Banking day and students should bring in their weekly deposit. The students give their wallets to their teachers in the morning and it is sent to the School Banking co-ordinators for processing.

SENIOR CITIZENS’ CONCERT
Our school concert will be repeated on Friday 6 December 2013 at 10:00am, which is the day following the evening performance. This concert is for grandparents and senior citizens from the community to attend. Children in Kindergarten and year 2, year 4 and year 6 are requested to contribute food for the morning tea which follows the performance. Kindergarten and year 2 are requested to provide a plate of savoury food and children in year 4 and year 6 are requested to provide a plate of sweet food. Children should bring their food to the tables outside the Music Room on Friday 6 December 2013 before school. Please make sure your child’s name and class are written clearly on the plate to facilitate return. Your contributions are greatly appreciated.

VILLAGE FAIR REPORT
On Thursday 7 November 2013 year 6 held the annual Village Fair. There were many games to play, lots of food to eat and things to buy. At the end of the day all the stalls sold out. We raised more than $4,000 which is an outstanding achievement. All the money will now go towards a year 6 gift. All of year 6 had a great day running the fair and I am sure all students enjoyed the day as well. By Ellie M 6B

The Village Fair is an exciting school event. Everyone enjoys buying toys, cupcakes and spiders. They also love spending their money on hair spraying, face painting, wrestling their friends, locking them in jail and much more. The most exciting part is being in charge of your own stall. This year we had sixteen stalls and a couple of new ones, too. I was running the Ticket Sales, Salon and Beauty with all my best friends. We raised $4,340 and it will go towards our year 6 present to the school. I had a lot of fun and I will remember this day for a long time. By Zoe L 6B

AHPS BANDS IN CONCERT - FRIDAY 15 NOVEMBER 2013 - 7.30PM
The School community is invited to watch the AHPS bands and other ensembles perform in their annual concert. The concert starts at 7.30pm in the School hall and will conclude at approximately 8.45pm. This concert would be of particular interest to those children that are considering joining the band in 2014. There is no cost for the event, however, a gold coin donation is requested to cover costs.

Next week will be the last week for students to borrow books from the Library for 2013. We need all resources returned to the Library by week 8 so that we can commence the Library stocktake in week 9.

Overdue notes are being sent home, so could you please double check to see if you still have these books.

Also a reminder that when you are sending back books to the council libraries could you please check the name on the barcode. The office staff has had to collect quite a few books from the mall lately.

Please contact us if you have any concerns about overdue books.

DUCHENNE MUSCULAR DYSTROPHY FUNDRAISER

My son, Patrick in year 6, has Duchenne Muscular Dystrophy, a life limiting degenerative neuromuscular condition with no cure. Along with a group of fabulous family and friends, I am participating in the Big Red Ride on Sunday 1 December 2013, a 150km bike ride from Bondi to Katoomba (yes, quite a hill) to raise awareness and funds for Muscular Dystrophy NSW.

All money raised will go to camps organised by Muscular Dystrophy NSW. These camps provide a resoundingly positive and uplifting experience for the kids. The sheer delight and emotional benefit I have seen my son and other kids gain from attending these camps is priceless.

I am seeking support to get me up that hill, so if you would like to donate and/or find out more about Muscular Dystrophy NSW, please go to the attached link:

BOOST UPDATE - Completion of the Discovery Trail and notice of motion to November P & C Meeting

The BOOST Committee received the good news earlier this year that it was successful in its application for the Community Building Partnerships Grant Program. With the support of our local MP, Brad Hazzard, $24,000 was received to complete the Discovery Trail (the first stages of which were built in January this year). For those of you new to the school, the Discovery Trail is the big area with pathways, plants, rockery and a sandpit located adjacent to the southern playground. It replaced a little-used area of dirt, and was built to give students more play and outdoor learning spaces, as well as much needed seating for our growing student population. Anyone who’s been at the school at lunchtime will be greeted by a sea of green hats with students enthusiastically playing in the sandpit and climbing over the rocks.

We’ve been working closely with teachers and playground design experts this year to formulate a plan to complete this area, and to turn it into a hive of activity with fun play and learning spaces for our students. We’re excited to let you know that work on the area will begin in mid-January next year, due for completion in time for the new school year. The area will include log seating, sandstone circles, log pathways, fixed stilts for climbing, balance beams, large platform seats (also to be used for outdoor classrooms), a new sandpit cover and a boat. Please see the picture below for examples. Once it has been completed, over 40% of the cost of the Discovery Trail will have come from grants (this is the second grant that’s been received) and donations of goods and services. Thanks to the many people who have helped make this happen.

We’ve also purchased ‘loose parts’ for use in the Discovery Trail, including tubes, large tubs, pool ‘noodles’, large pieces of material and sandpit toys. Students will be able to use these to play with however they wish. Research emerging from Australia and overseas is finding that these types of play materials promote creative play and co-operation between students, and reduces conflict in the playground. It’s also great fun! Have a look at this web link for an example of ‘loose parts’ play in action – it’s an inspiring clip. http://www.youtube.com/watch?v=tpqclzO9Ylw

We are still trying to track down some old phones to add to the stock of play equipment, so if you have one or more, please drop them in at the front office.

In order to complete the Discovery Trail with the activities and seating desired by the school executive and teachers, a final funding amount of approximately $3500 is being requested at the November P & C meeting. Should you want more information contact the BOOST committee via macsab@optusnet.com.au or come along to the meeting.
