Nurturing your child
Have you noticed our new letterhead? Our Positive Behaviour, Engaging Learners (PBEL) program is a huge part of who we are as a school. The language of Respect, Responsibility and Resilience is embedded in our conversations with our students each and every day. This language allows children to make a connection between their choices and the outcome of their choice – whether that is a positive consequence or a negative consequence. I invite parents to include this language at home so children can see the importance of the home-school relationship we foster so passionately at Allambie Heights Public School.

Quality teachers making a difference
Throughout term 3, staff across the school have been engaged in many different professional learning opportunities. I would like to thank the members of our staff who have played a leading role in these highly valuable professional learning events.

All our current K-2 staff have been working under the guidance of Marilyn Callintzis, Kaley Wright and Gabby Heggen to develop and enhance their skills in the teaching of Mathematics. This project has seen our K-2 staff reflect on current practices in teaching and assessment and develop skills in a program called “Count Me In Too” (CMIT). This program encompasses both the K-10 numeracy continuum and our new Mathematics syllabus, while supporting differentiation and individual development for all students.
In addition to this Mathematics professional learning, Sandy Parker and Marilyn Callintzis have been working with all staff to ensure we are well prepared for the compulsory introduction of the Mathematics: NSW Syllabus for the Australian Curriculum from the beginning of the 2015 school year.

Not only have we been busy upskilling in the area of Mathematics, all staff have been working with Ros Peel to look at how we plan, write, implement and evaluate quality writing programs that address the specific writing needs of each grade. These programs have been written following detailed evaluation by staff of student writing samples and plotting of these evaluations on the K-10 literacy continuum.

As the leaders of teaching and learning for each stage across the school, members of our executive team- Mari Elliott, Ros Peel, Sandy Parker and Louisa Brown - have been working on strengthening their understanding of conceptual programming and its place with the introduction of the NSW Syllabi for the Australian Curriculum. As new syllabi are introduced each year, members of our executive team will continue to build the higher order thinking skills which come from conceptual programming to further embed quality teaching practices across our school.

Achieving academic excellence
Throughout term 3, nominated year 3 – year 6 students have been working with Emma McVey and Angela Helsloot to participate in a school based Premier’s Spelling Bee. Congratulations to the following students who have been studying their word lists at home and working with these staff members at lunch time to compete in our school spell off:
A special congratulations to Eva B, Floyd G, Abigail E and Jared W who won our school based spell off and will now go on to represent Allambie Heights Public School at the regional finals at Collaroy Plateau Public School on Tuesday 16 September 2014.

Dogs in school grounds
Did you know that under the Companions Act 1998 No 87 (14.1e), dogs are prohibited in school grounds, whether they are leashed or otherwise controlled? For the safety of all students, toddlers, babies and adults, please do not bring dogs into the school grounds, even on leashes. Some children and adults have a genuine fear and it can be quite distressing for anyone with these fears. It is also not suitable to secure dogs to any part of the fencing around the school at any time. Further information can be found at http://www.olg.nsw.gov.au/public/dogs-and-cats/responsible-pet-ownership-program/prohibited-areas-dogs

Planning for 2015
As a school, we have started planning for 2015. Over the coming weeks staff will be looking at class structures and formations based on our anticipated enrolments. As the school continues to grow it is important we have plans in place which will assist with a smooth transition to 2015 classes for all students, parents and staff. If you know that your family will not be at Allambie Heights Public School in 2015, we ask that you please let us know as soon as possible.

As we approach Father’s Day on Sunday 7 September 2014, I would like to take this opportunity to wish all the dads in our community all the best for a wonderful day – a day to celebrate and acknowledge the important role all dads play in our lives.

In the words of Jim Valvano…
“My father gave me the greatest gift anyone could give another person, he believed in me”.

NSW State Interschools Snowsports Championships
Last week Renee N, pictured left, travelled to Thredbo to take part in the NSW State Interschools Championships. She competed against 60 of the best skiers in the state in the Alpine and Skier X races. Whilst not placing it was a great experience for her with challenging conditions in both races.

TOURNAMENT OF MINDS

Congratulations to the members of the two Allambie Heights Public School Tournament of Minds teams who performed at Roseville College on Sunday 24 August 2014. The teams were “The A-Team” Bishoy I, Chloe W, Meagan T, Lily M, Mia S, Andrew d M and Owen F and “Double L Team” Ingrid F, Isabelle F, Casey Y, Olivia C, Harry R, Liam W and Tom L. Each team performed in front of a panel of judges twice to showcase their ideas.

Their first performances were presentations of their solution to a long term problem, which they have been preparing in their own time over the last 6 weeks. The A-Team had to design a wearable device that could gather and store data, then make an infomercial about their device. To present their ideas they had to provide a scenario where their device would be of benefit and show their infomercial within a 10 minute play. The Double L Team developed a play, including 3 characters from traditional fairy tales or fables to tell a new story with a contemporary message.

The second presentation by each team was an impromptu performance where students had to showcase their ability to think on the spot, work as a team and present creative and original ideas based on a scenario given by the judges.

They performed to the best of their ability, showed great enthusiasm and persistence, and were praised for their dramatic skills. We couldn’t be more proud of their efforts.

The team would also like to send out a big thank you to their parents for their support.

Mari Elliott, Tournament of Minds Team Facilitator

Snack Shack News

Important Dates for the Term

A Dad’s BBQ will be held on Friday 12 September 2014. Cost is $5.00 for a sausage in a roll, a drink and a small treat. The cut off for all orders will strictly be Wednesday 10 September 2014 at 5:00pm.

Last day of ordering for term 3 is Thursday 18 September 2014. Counter service only will be available on the last day of term, Friday 19 September 2014.

Thank you to those who have volunteered in the Snack Shack so we can open at full service each Monday and Wednesday. The Snack Shack will be closed on Tuesday for the remainder of term 3. We are unable to find the required 2 people per Tuesday for these weeks and low volunteer numbers have resulted in a back log of administration tasks for the Canteen Manager. To avoid this in term 4 we are looking for more volunteers to assist for a two or four hour shift next term. Please contact the Canteen Co-ordinator Lisbet on 0450 014 355 or ahpscanteen@gmail.com.
