Principal’s Message

Achieving academic excellence

During week 9, all staff across the school were involved in planning days at school. During each session, stage staff worked collaboratively to develop the teaching and learning programs for term 4. These planning sessions are made possible thanks to the flexibility of our support and extra curricular teachers. All students should look forward to another term of challenging, engaging and connected learning in term 4.

Last week, NAPLAN data for 2014 was released to all schools. Congratulations to all year 3 and year 5 students for some outstanding results. I look forward to working with all staff early in term 4 as we evaluate this data and use it as a tool to help direct our school strategic directions as a part of the 2015-2017 planning cycle.

Today, Eva B, Floyd G, Abigail E and Jared W are representing our school at the regional Spelling Bee finals at Collaroy Plateau PS. Our four representatives should be extremely proud of their efforts and I have no doubt they have been great ambassadors for our school during today’s regional finals. In each final, there are representatives from 24 local public schools. To make the regional finals is a huge achievement and we look forward to hearing how are school finalists performed on their return to school.

In addition to our Premier’s Spelling Bee representatives, four of our year 6 students are representing our school this week in the Premier’s Debating Challenge finals. We wish Tara D, Bishoy I, Ethan W and Oliver C all the best in the finals. Making the finals is a huge achievement and my thanks to Natalie van Zyl and who have gave up her lunchtimes to coach our debating teams. The finals take place over three days and we look forward to hearing the results on their return to school.

Congratulations to the 320 students in our school who successfully completed the 2014 Premier’s Reading Challenge. This is a great effort for all involved! My thanks to the families who supported this whole school reading initiative and entered reading records online. We aim to have 100% student participation in 2015!

On Friday, we look forward to celebrating student achievement at our Honour Assembly with our community. Congratulations to all students who will receive awards recognising achievement or effort in Writing. We will also celebrate the achievement of the students who were the grade winners for our whole school public speaking competition. I was lucky enough to attend the grade finals for all seven grades and I must say, what an impressive exercise this was! Congratulations to all students across the school who participated in this whole school competition. Special congratulations to all grade finalists for presenting such informative, inspiring and engaging speeches for their audience. Members of our community are invited to join us for this special assembly, commencing at 2.00pm in our school hall.

Providing opportunities for all

Congratulations to the members of our school community who were part of the Warringah Zone athletics team for the Area Athletics Carnival. Ashleigh W, Luke P, Mitchell B, Tom B, Ben M, Tamsyn C, Davin K, Indi S, Ingrid F and Olive C were outstanding representatives of our school and performed their best as a part of the Warringah Zone team. Congratulations to these students! My thanks also to the parents who attended the carnival and supported our students on the day.
Quality teachers making a difference
As we reflect on term 3, I would like to thank all the AHPS staff for the amazing opportunities they provide for all students in our school. Organising incursions and excursions, in addition to excellent teaching and learning programs, requires dedication, commitment and a love of our school and our students. From exploring space through a mobile planetarium in the school hall to Book Week/Education Week celebrations, athletics carnival, dance competitions, Tournament of Minds and Opera House Choir events, all students in our school have had the opportunity to be immersed in lessons outside the classroom. I’m sure you join me in thanking all staff for providing such outstanding opportunities to our students.

Your community school
Our last P and C meeting for term 3 will be held this evening, Tuesday 16 September 2014. These meetings are held in the school library and commence at 7.30pm. All members of our community are welcome to come along and hear about all the wonderful things happening in all aspects of our beautiful school. Our P and C supports so many aspects of school life and this term we have received funding of $60000 from NSW Department of Education and Communities as a part of a joint funding application for which we had applied. This joint funding is to assist with the installation of a large Covered Outdoor Learning Area (COLA). This COLA will replace the weather shed and will open up the playground area between playground north and playground south. The money received from NSW DEC and the money that has been saved through the voluntary contributions of our school community to the P and C Building Fund will fund this project. It is anticipated these works will begin in the next few weeks and will be a very exciting time for our school community!

Before the first P and C meeting of term 4, which will be held on Wednesday 22 October 2014, I will be holding a session for interested parents around the new school-planning tool. Community feedback in regards to our school strategic directions for the 2015-2017 planning cycle is highly valued as we move our school forward together as a community. This session will run in the school library from 6.30pm – 7.30pm and is open to all parents in our school community. If you have any questions about this session, please contact me via the school office.

As term 3 concludes on Friday 19 September 2014, I wish all our families a safe, relaxing and enjoyable Spring break. I look forward to seeing all students back at school in their full Summer school uniform on Tuesday 7 October 2014.

Principal

Planning for 2015
As a school, we have started planning for 2015. Over the coming weeks staff will be looking at class structures and formations based on our anticipated enrolments. As the school continues to grow it is important we have plans in place which will assist with a smooth transition to 2015 classes for all students, parents and staff. If you know that your family will not be at Allambie Heights Public School in 2015, we ask that you please let us know as soon as possible.
